## Supplementary Materials

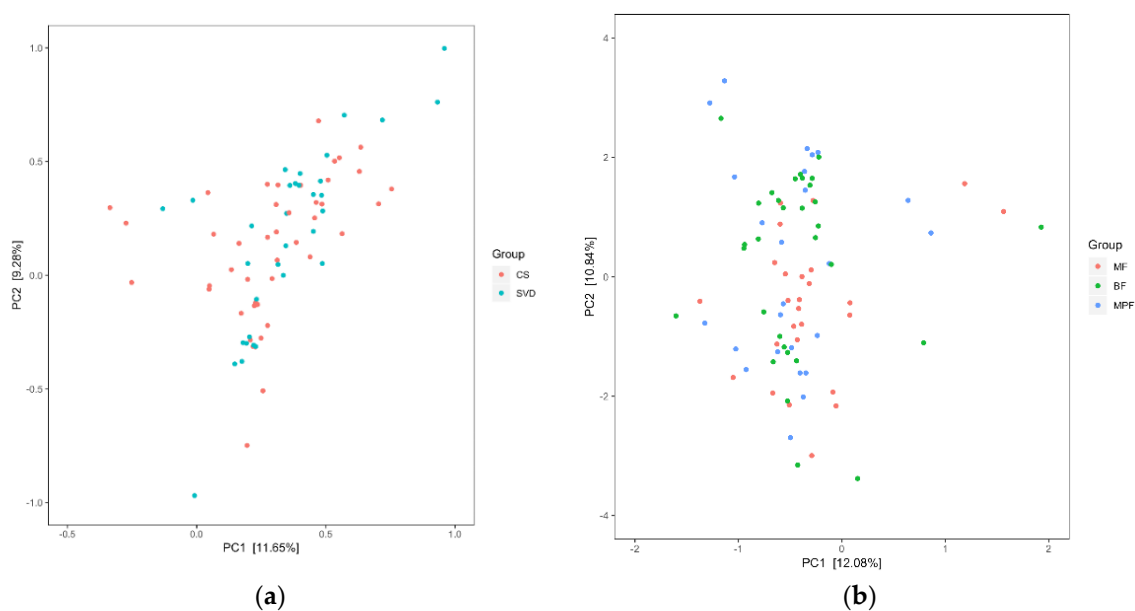

**Figure S1.** PCA of gut microbiota in the infants with different delivery modes and feeding methods. (a): delivery modes; (b): feeding methods.

**Figure S2.** PCA of gut *Bifidobacteria* community in the infants with different delivery modes and feeding methods. (a): Delivery modes; (b): Feeding methods.

**Figure S3.** Alpha diversity analysis of gut *Bifidobacteria* community in the infants with different feeding methods. (a): Observed species ( $p < 0.05$ ); (b): Shannon ( $p < 0.001$ ). \* $p < 0.05$ , \*\*\* $p < 0.001$ .

**Figure S4.** PCA of gut *Lactobacillus* community in the infants with different delivery modes and feeding methods. (a): Delivery modes; (b): Feeding methods.
