DECISION TO WITHHOLD E-THESIS FROM REPOSITORY

All doctoral candidates submitting their final hard bound theses to the Graduate Studies Office will normally submit an electronic copy to the UCC institutional repository, CORA http://cora.ucc.ie . CORA is a digital archive of UCC research output and its contents are openly accessible online and retrievable from internet searches.

If you do not wish to submit an electronic copy of your thesis to CORA, you must complete this form with your supervisor and submit it with your hard bound thesis to the Graduate Studies Office. Note: Even if you are not submitting an e-thesis, you must still upload your thesis abstract to CORA before submission of your hard bound thesis.
