[doi:10.1063/1.3486475]

The title of the article should have appeared as "Investigation of the electrocaloric effect in a $PbMg_{1/3}Nb_{2/3}O_3-PbTiO_3$ relaxor thin film." The proportions of Mg and Nb were specified in the wrong order. The same applies where this formula appears in the abstract and the body of the text. It is noted that these errors have no effect on other results and discussions of the article.
