

Title	A bioinformatics approach to identify novel long, non-coding RNAs in breast cancer cell lines from an existing RNA-sequencing dataset
Authors	Zaheed, Oza;Samson, Julia;Dean, Kellie
Publication date	2020-03-17
Original Citation	Zaheed, O., Samson, J. and Dean, K. (2020) 'A bioinformatics approach to identify novel long, non-coding RNAs in breast cancer cell lines from an existing RNA-sequencing dataset', Non-coding RNA Research, 5(2), pp. 48–59. https://doi.org/10.1016/j.ncrna.2020.02.004 .
Type of publication	Article (peer-reviewed)

Erratum regarding previously published articles

Owing to a Publisher error, Declaration/Conflict of Interest statements were not included in the published versions of the following articles, that appeared in previous issues of Non-coding RNA Research.

The appropriate Declaration/Conflict of Interest statements, provided by the Authors, are included below.

1. “Non-coding RNA regulation in reproduction: Their potential use as biomarkers” (Non-coding RNA Research, 2019; 4/2: 54–62) <https://doi.org/10.1016/j.ncrna.2019.04.001>

Declaration of interest: The Authors have no interests to declare.

2. “The noncoding-RNA landscape in cardiovascular health and disease” (Non-coding RNA Research, 2018; 3/1: 12–19) <https://doi.org/10.1016/j.ncrna.2018.02.001>

Declaration of interest: The Authors have no interests to declare.

3. “Circular RNA expression and function in the brain” (Non-coding RNA Research, 2019; 4/1: 23–29) <https://doi.org/10.1016/j.ncrna.2019.01.001>

Declaration of interest: The Authors have no interests to declare.

4. “Long noncoding RNAs and their link to cancer” (Non-coding RNA Research, 2020; 5/2: 77–82) <https://doi.org/10.1016/j.ncrna.2020.04.003>

Declaration of interest: The Authors have no interests to declare.

5. “Dietary non-coding RNAs from plants: Fairy tale or treasure?” (Non-coding RNA Research, 2019; 4/2: 63–68) <https://doi.org/10.1016/j.ncrna.2019.02.002>

Declaration of interest: The Authors have no interests to declare.

6. “Detecting long non-coding RNA biomarkers in prostate cancer liquid biopsies: Hype or hope?” (Non-coding RNA Research, 2018; 3/2: 64–74) <https://doi.org/10.1016/j.ncrna.2018.05.001>

Declaration of interest: The Authors have no interests to declare.
