DECISION TO WITHHOLD E-THESIS FROM REPOSITORY

All doctoral candidates submitting their final hard bound theses to the Graduate Studies Office will normally submit an electronic copy to the UCC institutional repository, CORA http://cora.ucc.ie . CORA is a digital archive of UCC research output and its contents are openly accessible online and retrievable from internet searches.

If you do not wish to submit an electronic copy of your thesis to CORA, you must complete this form with your supervisor and submit it with your hard bound thesis to the Graduate Studies Office. Note: Even if you are not submitting an e-thesis, you must still upload your thesis abstract to CORA before submission of your hard bound thesis.

Student ID Number: 103707946

Contact E-mail address: denis.lynch@student.ucc.ie

Title of thesis: ACCESS TO MODIFIED GEIPARVARINS USING Pd(0) MEDIATED C-C BOND FORMING REACTIONS

School/Department(s) where PhD was conducted: ABCRF / DEPARTMENT OF CHEMISTRY

Name of Supervisor(s): DR. D.G. MCCARTHY

I do not wish to archive an electronic copy of my thesis in CORA, the UCC institutional repository.

STUDENT'S signature: Denis Lynch

Please outline your reason for withholding your e-thesis

The thesis represents a substantial contribution to the scientific area involved. None of the work has yet been published in peer reviewed chemistry journals. Disclosure of the thesis content through CORA at this stage will hinder that prospect and undermine the practicality of continuing the research at UCC. The scientific material developed during the work described in the thesis has potential intellectual property value for UCC. Protection of the latter requires a further considerable time

I confirm that the above student has consulted with me on the decision not to archive an electronic copy of his/her thesis in the UCC institutional repository

SUPERVISOR'S signature: Daniel McCarthy 20 Oct 2014.

DECISION TO WITHHOLD E-THESIS FROM REPOSITORY

All doctoral candidates submitting their final hard bound theses to the Graduate Studies Office will normally submit an electronic copy to the UCC institutional repository, CORA http://cora.ucc.ie . CORA is a digital archive of UCC research output and its contents are openly accessible online and retrievable from internet searches.

If you do not wish to submit an electronic copy of your thesis to CORA, you must complete this form with your supervisor and submit it with your hard bound thesis to the Graduate Studies Office. Note: Even if you are not submitting an e-thesis, you must still upload your thesis abstract to CORA before submission of your hard bound thesis.
