Dear Prof. Plebani and Mrs Heike,

In my role of Secretary of the European Federation of Clinical Chemistry and Laboratory Medicine (EFLM), it is my pleasure to inform you that the article entitled "**Recommendations from the European Society for Emergency Medicine (EUSEM), European Society for Emergency Nursing (EUSEN), and European Federation of Clinical Chemistry and Laboratory Medicine (EFLM) Working Group for the Preanalytical Phase. Executive summary.**" and submitted for publication in CCLM is a Type 1b EFLM article ("EFLM Position Papers") and has already undergone all the mandatory steps until final approval by the EFLM Executive Board.

Do not hesitate if you should need additional information,

Kindest regards,

Assist. Prof. Snežana Jovičić
Secretary of EFLM
